## Judge: Mr Vladimir Mihaljcic (Serbia)

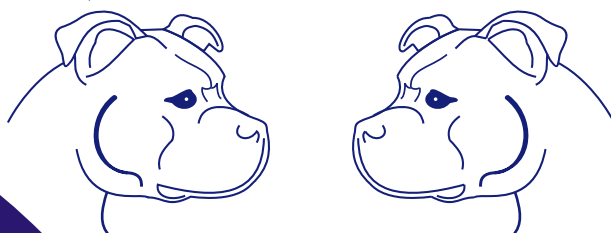

### “Royal Nobleman”

I grew up and devoted most of my life to dogs. I was raised with Newfoundlanders, and I have discovered my true love in 1980's when I got my first Bull Terrier female. I was introduced to American Staffordshire Terriers in the beginning of 1990's and since that time they are an essential part of my life. Soon after that, I registered my kennel name “Royal Nobleman's”. Our motto is quality before else, which means health and temperament on the first place. Our dogs are representing us in all parts of the world.

I am a long time secretary of our Terrier Club, and a co-founder of the two most prestigious Specialties for Terrier breeds-Pannonia Terrier Show and Amstaff Major

I am also a correspondent of a “Gladiator” magazine for AST, BT and SBT, and a member of our Kennel Club's Committee.

I am an FCI judge for the 3rd group, specialist for Bull type Terriers. So far, I was judging in Spain , Austria , Poland , Croatia , Russia ( 180 AST-record entries ).

American Staffordshire Terrier Club of Qld is an affiliated Club with Dogs Qld, this Championship and Open Show is conducted under the rules of Dogs Qld.  
A copy of these rules may be perused at the Secretary's office.

## Judge: Mrs Sue Hewinson (QLD)

I have been involved with animals at a very early age as my father was a stockman with working dogs. He was also an avid Pigeon Fancier and together we bred, raced, exhibited and judged pigeons for some years with much success. I first started in the pure bred dog world in the late sixties with a Labrador retriever followed closely by a Fox Terrier (Smooth). I have also bred and exhibited Fox Terrier (Wires), exhibited Whippets and a Saluki plus handled many other Terriers and Hounds. I first started in the Judges Training program with my Terriers and have recently achieved one of my personal goals in attaining my All Breeds Licence. I have judged at Fox Terrier Specialty shows in NSW, Victoria and at the Canterbury Terrier Club Specialty in N.Z. plus at All Breeds Shows in most states of Australia, N.Z. and Malaysia. One of the highlights of my judging career so far is being invited by the Danish Terrier Specialty Club to judge Fox Terriers Smooth, Wires and Australian Terriers, then asked to judge one of the Classes in Show at the Danish Terrier Specialty Show. Over the Years I have held various positions on Dogs Qld Sub Committees, a foundation member of the Sporting Terrier Club Specialty Club after serving the past 10 years as President and currently the Vice President also President of an All Breeds Kennel Club - Maree Kennel Club Inc.

In my spare time I have my other passions as the Coordinator for the Group 2 - Judges Training and helping the new and not so new exhibitors at our show training classes in between shows at Durack and away Judging.

To achieve this in our dog world one has to have the stature and determination to succeed or as one dear friend said to me that I had 'Terrier Temperament'.

American Staffordshire Terrier Club of Qld is an affiliated Club with Dogs Qld, this Championship and Open Show is conducted under the rules of Dogs Qld.

A copy of these rules may be perused at the Secretary's office.

## Delta Therapy Dogs Program

*Are you looking for ways to volunteer in your local community?*

*Do you have a dog with a fantastic temperament that loves spending time with people?*

Delta Therapy Dog teams bring joy to the lives of those who need it most.

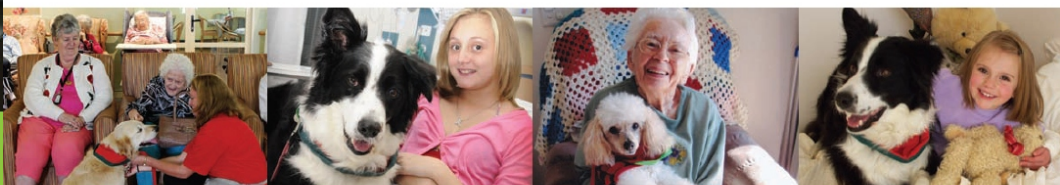

## About the Delta Society

The Delta Society is a national not-for-profit organisation with one core belief: that the human-animal bond remarkably improves our quality of life and leaves a lasting paw print on our hearts.

There is a special and indescribable kinship shared between dogs and people of all ages. Attention from a dog can brighten your day, make you feel loved and improve your overall health and wellbeing. A better relationship between people and dogs will lead to a more enriched and fulfilled life for humans and dogs alike. Delta's primary mission is to promote and facilitate positive interaction between people and companion animals, and help people through positive and supportive encounters with dogs.

For more information about the Delta Society's other programs, please visit [www.deltasociety.com.au](http://www.deltasociety.com.au)

### About Delta Therapy Dogs

Our flagship Delta Therapy Dogs program is the largest of its kind in Australia. Every week, Delta's amazing and devoted Therapy Dog Teams bring joy to the lives of those who need it most: an estimated 20,000 Australians in hospitals and care facilities.

We currently support over 850 volunteers and their special pet dogs, who make regular visits to children's hospitals, adult hospitals, nursing homes and mental health facilities to offer the wonderful benefits of pet therapy, spend time with patients and offer a chat, a floppy ear to listen and a paw to shake.

## Volunteering for Delta

Our volunteers and their amazing therapy dogs are our most valued resources, and we are always looking for new volunteer teams to join the Delta Therapy Dogs program.

- ☐ Do you have a dog with a good temperament?
- ☐ Do you have an hour or two to spare every week?
- ☐ Are you interested in giving your time to volunteer in your local community?
- ☐ Do you love talking with people about your dog?

If you answered yes to all these questions, then volunteering with Delta Therapy Dogs could be an incredibly rewarding experience for you.

### Scientifically proven benefits of pet therapy

- **Physical** – interaction with a furry friend reduces blood pressure, provides tactile stimulation, motivation to move, walk and stimulates the senses
- **Social** – a visit with a dog provides a positive mutual topic for discussion and promotes focused interaction with others
- **Cognitive** – Canine companionship stimulates memory, problem solving and game playing
- **Emotional** – an adorable four-legged visitor improves self-esteem, acceptance from others, calming effect, lifts mood often provoking laughter
- **Environmental** – a dog in the facility decreases the feeling of a sterile environment and lifts the entire mood

## What is required to become a Delta Therapy Team

The Delta Society has 14 branches nationwide, where branch coordinators manage their local volunteer teams and facilities – matching volunteers to facilities close to home, and offering all the support and guidance you need.

Your dog will be required to undergo temperament testing, and must pass the assessment in order to be accredited as a qualified Therapy Dog (see the "Is your dog suitable?" checklist on the back page). A full list of temperament testing procedures and a video example is also available at [www.deltasociety.com.au](http://www.deltasociety.com.au). Retesting of qualified therapy dogs is required every two years.

Dogs must be at least 18 months old and under 10 years old with basic manners. They will be required to be fully vaccinated (C5), be on heartworm preventative medication and treated regularly for internal and external parasites.

Volunteers must complete a one-day training session and an orientation at their assigned facility before they can commence work.

Delta Therapy Dog Teams will need to make a commitment for at least one year and generally visit their assigned facility once a week, for up to 90 minutes each time. You will need your own transportation to travel to your facility each week.

All volunteers who join the program are police checked as part of our protocols. A police check will be completed once your dog has passed temperament testing.

Delta Society provides all training, assessment, uniforms and insurances.

## Is your dog suitable?

### Take this quick test!

- ☐ Is your dog at least 18 months old and under 10 years old, and fully vaccinated?
- ☐ Does your dog walk nicely beside you without pulling?
- ☐ Can your dog walk on a lead using a soft collar? (no head collars, anti-pull harnesses or flexi leads are allowed)
- ☐ When your dog is off-lead, does he/she come when called?
- ☐ Will your dog "sit" and "drop" when asked?
- ☐ Can your dog sit politely and accept a pat from a friendly stranger?
- ☐ Can your dog walk through a crowd with minimal reaction to distraction?
- ☐ Does your dog show little reaction to clumsy and heavy patting?
- ☐ Will your dog take food gently?
- ☐ Can your dog leave food when asked?
- ☐ Will your dog stay in a sit or drop position while you walk approximately 5 metres away?
- ☐ Can your dog walk past another dog and show no more than a passing interest?
- ☐ Can your dog be held by a stranger and come when called when it is released?
- ☐ Do you both work well as a team?

If you answered yes to all of these questions, then you and your dog are excellent candidates to become a volunteer Therapy Dog team! If you answered no to any of these questions, we recommend that you spend time working on these areas. This may be achieved by undertaking some training before committing to our program. If you would like information on Delta-accredited trainers in your area, visit [www.deltasociety.com.au](http://www.deltasociety.com.au).

If you would like to express your interest in becoming a Delta Therapy Dog team, please visit [www.deltasociety.com.au](http://www.deltasociety.com.au) to complete the online form. You will be contacted by your local branch coordinator to arrange temperament testing of your dog on the next available assessment day.

# Open Show

## Judge: Mr Jason Attridge (QLD)

I commenced in purebred dogs with a Jack Russell Terrier in the 1990's, and have been showing the breed ever since. I have bred both Royal BIS and Speciality winners, and have multiple champions and grand champions in my kennel. My entire family now show, and I am passionate about promoting Terriers. I am a member of the Sporting Terrier Club Of Qld, the JRT Club of NSW, the JRT Club of Victoria, and President of Caboolture Kennel Club. I am greatly looking forward to judging the American Staffordshire Terrier Club of Qld Open Show, and I thank the Club for this appointment.

American Staffordshire Terrier Club of Qld is an affiliated Club with Dogs Qld, this Championship and Open Show is conducted under the rules of Dogs Qld. A copy of these rules may be perused at the Secretary's office.
