CHAMPIONSHIP SHOW

Judge

Mrs Malgorzata Jurek-Erenska (Poland)

“Florida American Staffordshire Terriers”

I was born in a typical dog family. I am a second generation. My father was a International Judge FCI /II and III Gr./ for almost 40 years. We had at my family home: Boxers, Newfoundlands, Bassets and Wire Dachshunds. I am a visual artist by profession, I graduated Academy of Fine Arts in city Poznan.

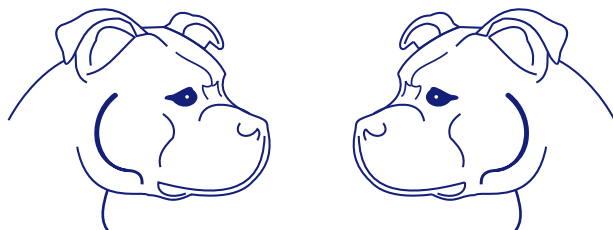

I started my own kennel, Florida in 1985. Before Amstaffs, I have had a Pit Bull with STCA Pedigree. She was one of the first Pit Bull in Europe. In 1990, I imported to Poland the first American Staffordshire Terriers from USA, from Woodforest Kennel, Int Ch. Woodforest Coral Seastar and Ch. Woodforest Excalibur Hero.

In 1993, I imported my next AST, black and white Int Ch. BISS Woodforest Black Dragon and Int Ch. BISS Woodforest Stary Nite. Int Ch. BISS Woodforest Black Dragon was a very famous male with a lot of titles, 30 x CACIB, 71 x CAC/ World Vet. Winner, Club Winner, Top Dog, etc.... and his name you can find in many Amstaff pedigrees in all Europe. Till now I imported 9 Amstaffs from USA and a few from Holland. With 24 years of breeding amstaffs and 26 litters born in my kennel, I am still keeping woods line in my Amstaffs.

I own Florida Kennel together with my daughter Weronika, third dog generation. She is a professional handler. Weronika was twice Polish representative at Junior Handler Competition at Crufts show.

In 1993, I founded the first Polish Club for AST of which I was the President for 5 years. In 1995, I founded the Polish Club for Terriers of Bull Type. I was Chairman of this Club until 2003, when I had to give up the Club because I moved to Sweden. Now I am living in Sweden near Malmo.

I am the author of several books about Amstaffs, my second book “American Staffordshire Terrier”, I edited with L. Suhanowa from Imperia Kennel, and it was translated into Russian. My next book was “The True Friend American Staffordshire Terrier”. I was also the publisher and chief editor of the Club newsletter “Bull & Terrier”. I often write articles for the magazine, “Dog”, published by the Kennel Club in Poland. I started judging in 1998. I am international judge, FCI Gr III, all terriers and national Gr II/2/ - Molossos. I have judged shows in Russia, Poland, Germany, Ukraine, Italy, Sweden, Hungary, Czech Republic, Belgium, Croatia, Austria, Finland, etc. The most honorable judging appointment was for me to judge Amstaffs at Interra Show in Brussels, 2010. I am often invited to judge at Specialities for Terriers of Bull Type.

Most Promising Puppy Award

In Memory of
Multi BIS, Multi RUBIS, RUBISS Supreme Ch.
Dinamyte Chace The Ace E.T. ROH ~ Kujo
27/12/2000 ~ 01/05/2014

Our very handsome boy Kujo, was a multi Best in Show, multi Runner Up to Best in Show, Runner Up Best in Speciality Show Winner as well as multi Best in Group and Class in Show winner. At just over 2 years of age he won his 1st Best in Show (All Breeds Championship Show) backing it up with a Reserve Best in Show the next day, giving him the honour of being Australia's first Amstaff to win a Best in Show at an All Breeds Championship Show at that time. He also qualified twice to compete in the Dog of The Year Zone III Finals. At the prestigious RNSWCC Spring Fair, he also won Runner-up Exhibit of Group. He obtained his grand championship title at 3 years of age.

After a 5 year break from the show ring I brought him back out. He was 10 1/2 years of age and he continued to achieve in the Conformation ring winning more Best in Groups and obtaining his Supreme Championship Title. He has proven himself as an outstanding sire with both children and grandchildren inheriting his lovely virtues and excelling in the show ring.

Kujo was a magnificent specimen and ambassador of the breed. He possessed an amazing temperament, was a true showman and a character to all who knew him.

He is dearly missed by all of us here at Dinamyte Amstaffs.

The Most Promising Puppy class will be judged at the Completion of the Championship Show. The Winner of the Baby Puppy In Show, Minor Puppy In Show and Puppy In Show are eligible to compete for this award.

Delta Therapy Dogs Program

Are you looking for ways to volunteer in your local community?

Do you have a dog with a fantastic temperament that loves spending time with people?

Delta Therapy Dog teams bring joy to the lives of those who need it most.

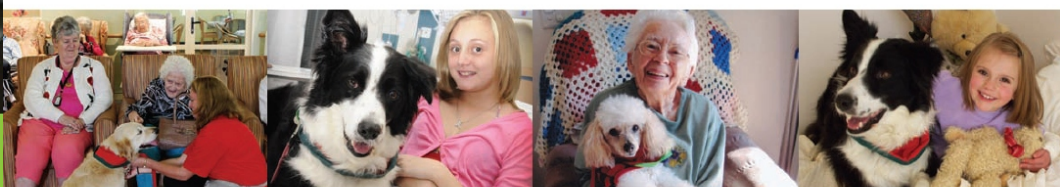

About the Delta Society

The Delta Society is a national not-for-profit organisation with one core belief: that the human-animal bond remarkably improves our quality of life and leaves a lasting paw print on our hearts.

There is a special and indescribable kinship shared between dogs and people of all ages. Attention from a dog can brighten your day, make you feel loved and improve your overall health and wellbeing. A better relationship between people and dogs will lead to a more enriched and fulfilled life for humans and dogs alike. Delta's primary mission is to promote and facilitate positive interaction between people and companion animals, and help people through positive and supportive encounters with dogs.

For more information about the Delta Society's other programs, please visit www.deltasociety.com.au

About Delta Therapy Dogs

Our flagship Delta Therapy Dogs program is the largest of its kind in Australia. Every week, Delta's amazing and devoted Therapy Dog Teams bring joy to the lives of those who need it most: an estimated 20,000 Australians in hospitals and care facilities.

We currently support over 850 volunteers and their special pet dogs, who make regular visits to children's hospitals, adult hospitals, nursing homes and mental health facilities to offer the wonderful benefits of pet therapy, spend time with patients and offer a chat, a floppy ear to listen and a paw to shake.

Volunteering for Delta

Our volunteers and their amazing therapy dogs are our most valued resources, and we are always looking for new volunteer teams to join the Delta Therapy Dogs program.

- ☐ Do you have a dog with a good temperament?
- ☐ Do you have an hour or two to spare every week?
- ☐ Are you interested in giving your time to volunteer in your local community?
- ☐ Do you love talking with people about your dog?

If you answered yes to all these questions, then volunteering with Delta Therapy Dogs could be an incredibly rewarding experience for you.

Scientifically proven benefits of pet therapy

- **Physical** – interaction with a furry friend reduces blood pressure, provides tactile stimulation, motivation to move, walk and stimulates the senses
- **Social** – a visit with a dog provides a positive mutual topic for discussion and promotes focused interaction with others
- **Cognitive** – Canine companionship stimulates memory, problem solving and game playing
- **Emotional** – an adorable four-legged visitor improves self-esteem, acceptance from others, calming effect, lifts mood often provoking laughter
- **Environmental** – a dog in the facility decreases the feeling of a sterile environment and lifts the entire mood

What is required to become a Delta Therapy Team

The Delta Society has 14 branches nationwide, where branch coordinators manage their local volunteer teams and facilities – matching volunteers to facilities close to home, and offering all the support and guidance you need.

Your dog will be required to undergo temperament testing, and must pass the assessment in order to be accredited as a qualified Therapy Dog (see the "Is your dog suitable?" checklist on the back page). A full list of temperament testing procedures and a video example is also available at www.deltasociety.com.au. Retesting of qualified therapy dogs is required every two years.

Dogs must be at least 18 months old and under 10 years old with basic manners. They will be required to be fully vaccinated (C5), be on heartworm preventative medication and treated regularly for internal and external parasites.

Volunteers must complete a one-day training session and an orientation at their assigned facility before they can commence work.

Delta Therapy Dog Teams will need to make a commitment for at least one year and generally visit their assigned facility once a week, for up to 90 minutes each time. You will need your own transportation to travel to your facility each week.

All volunteers who join the program are police checked as part of our protocols. A police check will be completed once your dog has passed temperament testing.

Delta Society provides all training, assessment, uniforms and insurances.

Is your dog suitable?

Take this quick test!

- ☐ Is your dog at least 18 months old and under 10 years old, and fully vaccinated?
- ☐ Does your dog walk nicely beside you without pulling?
- ☐ Can your dog walk on a lead using a soft collar? (no head collars, anti-pull harnesses or flexi leads are allowed)
- ☐ When your dog is off-lead, does he/she come when called?
- ☐ Will your dog "sit" and "drop" when asked?
- ☐ Can your dog sit politely and accept a pat from a friendly stranger?
- ☐ Can your dog walk through a crowd with minimal reaction to distraction?
- ☐ Does your dog show little reaction to clumsy and heavy patting?
- ☐ Will your dog take food gently?
- ☐ Can your dog leave food when asked?
- ☐ Will your dog stay in a sit or drop position while you walk approximately 5 metres away?
- ☐ Can your dog walk past another dog and show no more than a passing interest?
- ☐ Can your dog be held by a stranger and come when called when it is released?
- ☐ Do you both work well as a team?

If you answered yes to all of these questions, then you and your dog are excellent candidates to become a volunteer Therapy Dog team! If you answered no to any of these questions, we recommend that you spend time working on these areas. This may be achieved by undertaking some training before committing to our program. If you would like information on Delta-accredited trainers in your area, visit www.deltasociety.com.au.

If you would like to express your interest in becoming a Delta Therapy Dog team, please visit www.deltasociety.com.au to complete the online form. You will be contacted by your local branch coordinator to arrange temperament testing of your dog on the next available assessment day.
