Double Championship Shows & Open Show

American Staffordshire Terrier Club of QLD is an affiliated Club with Dogs Queensland, these
Championship and Open Shows are conducted under the rules of Dogs Queensland.
A copy of these rules may be perused at the Secretary's Office.

**I would like to introduce myself as your photographer for your Championship Show.
I will be taking images of all place getters, as well as action in the ring.**

**I take an awful lot of images, so will upload a couple of each dog,
so that you know I have your dog/s. If you would like to see the rest of your images, please
email me with your exhibit number/s and class, and I will create a gallery for you (private or
open). This will save you a lot of time searching for all your images.**

**Show special for web images is 7 for \$50, suitable for all electronic mediums.
My standard prints are 6x8, \$12 ea, \$10ea for 5 or more. Other sizes available.
CD's are my most popular item. Details and prices are on my Pawsnap web site, but the
maximum price for a CD of over 50 images is \$80.**

The images will be hosted on my smugmug site....

<http://tinadial.smugmug.com/2015-Pawsnap-Pet-Photography/American-Staffordshire-Terrier>

The link will be posted on the club website.

**I do not have an auto ordering system, I use the old fashioned method of personal contact,
so please let me know what you would like, and I then price it and give you my banking details.
I will automatically create galleries if you ask me at the show.**

**If you would like any extra images (stack or portrait), these can be done in the afternoon, after
the Open show.**

**Please email if you are not sure on anything, or ask on the day.
I would like to wish you all a wonderful day.**

Mr Nenad Nedimovic

Kick Power Amstaffs
Serbia

I grew up and devoted most of my life to dogs. I was raised with German Shepherds and I was introduced to American Staffordshire Terriers in the beginning of 1990's and since that time they are an essential part of my life.

Soon after that, I registered my kennel name "Kick power ". Our motto is quality before else, which means health and temperament on the first place. Our dogs are representing us in all parts of the world. From my house I have a large number of national, international and world champions.

I am a long time president of our Kennel Club, and a member of our Kennel Club's Committee. I am an International FCI judge for the 2nd and 3rd groups, specialist for Bull type Terriers. So far, I was judging speciality i national shows.

Delta Therapy Dogs Program

Are you looking for ways to volunteer in your local community?

Do you have a dog with a fantastic temperament that loves spending time with people?

Delta Therapy Dog teams bring joy to the lives of those who need it most.

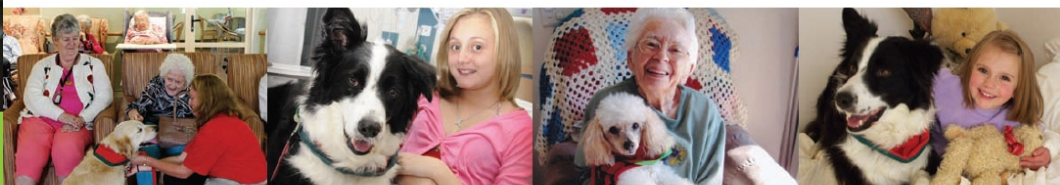

About the Delta Society

The Delta Society is a national not-for-profit organisation with one core belief: that the human-animal bond remarkably improves our quality of life and leaves a lasting paw print on our hearts.

There is a special and indescribable kinship shared between dogs and people of all ages. Attention from a dog can brighten your day, make you feel loved and improve your overall health and wellbeing. A better relationship between people and dogs will lead to a more enriched and fulfilled life for humans and dogs alike. Delta's primary mission is to promote and facilitate positive interaction between people and companion animals, and help people through positive and supportive encounters with dogs.

For more information about the Delta Society's other programs, please visit www.deltasociety.com.au

About Delta Therapy Dogs

Our flagship Delta Therapy Dogs program is the largest of its kind in Australia. Every week, Delta's amazing and devoted Therapy Dog Teams bring joy to the lives of those who need it most: an estimated 20,000 Australians in hospitals and care facilities.

We currently support over 850 volunteers and their special pet dogs, who make regular visits to children's hospitals, adult hospitals, nursing homes and mental health facilities to offer the wonderful benefits of pet therapy, spend time with patients and offer a chat, a floppy ear to listen and a paw to shake.

Volunteering for Delta

Our volunteers and their amazing therapy dogs are our most valued resources, and we are always looking for new volunteer teams to join the Delta Therapy Dogs program.

- ☐ Do you have a dog with a good temperament?
- ☐ Do you have an hour or two to spare every week?
- ☐ Are you interested in giving your time to volunteer in your local community?
- ☐ Do you love talking with people about your dog?

If you answered yes to all these questions, then volunteering with Delta Therapy Dogs could be an incredibly rewarding experience for you.

Scientifically proven benefits of pet therapy

- **Physical** – interaction with a furry friend reduces blood pressure, provides tactile stimulation, motivation to move, walk and stimulates the senses
- **Social** – a visit with a dog provides a positive mutual topic for discussion and promotes focused interaction with others
- **Cognitive** – Canine companionship stimulates memory, problem solving and game playing
- **Emotional** – an adorable four-legged visitor improves self-esteem, acceptance from others, calming effect, lifts mood often provoking laughter
- **Environmental** – a dog in the facility decreases the feeling of a sterile environment and lifts the entire mood

What is required to become a Delta Therapy Team

The Delta Society has 14 branches nationwide, where branch coordinators manage their local volunteer teams and facilities – matching volunteers to facilities close to home, and offering all the support and guidance you need.

Your dog will be required to undergo temperament testing, and must pass the assessment in order to be accredited as a qualified Therapy Dog (see the "Is your dog suitable?" checklist on the back page). A full list of temperament testing procedures and a video example is also available at www.deltasociety.com.au. Retesting of qualified therapy dogs is required every two years.

Dogs must be at least 18 months old and under 10 years old with basic manners. They will be required to be fully vaccinated (C5), be on heartworm preventative medication and treated regularly for internal and external parasites.

Volunteers must complete a one-day training session and an orientation at their assigned facility before they can commence work.

Delta Therapy Dog Teams will need to make a commitment for at least one year and generally visit their assigned facility once a week, for up to 90 minutes each time. You will need your own transportation to travel to your facility each week.

All volunteers who join the program are police checked as part of our protocols. A police check will be completed once your dog has passed temperament testing.

Delta Society provides all training, assessment, uniforms and insurances.

Is your dog suitable?

Take this quick test!

- ☐ Is your dog at least 18 months old and under 10 years old, and fully vaccinated?
- ☐ Does your dog walk nicely beside you without pulling?
- ☐ Can your dog walk on a lead using a soft collar? (no head collars, anti-pull harnesses or flexi leads are allowed)
- ☐ When your dog is off-lead, does he/she come when called?
- ☐ Will your dog "sit" and "drop" when asked?
- ☐ Can your dog sit politely and accept a pat from a friendly stranger?
- ☐ Can your dog walk through a crowd with minimal reaction to distraction?
- ☐ Does your dog show little reaction to clumsy and heavy patting?
- ☐ Will your dog take food gently?
- ☐ Can your dog leave food when asked?
- ☐ Will your dog stay in a sit or drop position while you walk approximately 5 metres away?
- ☐ Can your dog walk past another dog and show no more than a passing interest?
- ☐ Can your dog be held by a stranger and come when called when it is released?
- ☐ Do you both work well as a team?

If you answered yes to all of these questions, then you and your dog are excellent candidates to become a volunteer Therapy Dog team! If you answered no to any of these questions, we recommend that you spend time working on these areas. This may be achieved by undertaking some training before committing to our program. If you would like information on Delta-accredited trainers in your area, visit www.deltasociety.com.au.

If you would like to express your interest in becoming a Delta Therapy Dog team, please visit www.deltasociety.com.au to complete the online form. You will be contacted by your local branch coordinator to arrange temperament testing of your dog on the next available assessment day.

Introducing The Veteran Boys Competing Today

AUST CH. HAVFUN BAD HABIT

Stitch was purchased at 9mths of age, he had been shown successfully by his previous owner and we continued to show him to his Australian Champion title. He won Reserve In Groups, Class in Groups, Best of Breeds regularly. He retired on 685 points at 5yrs of age due to his kids being shown. Stitch has produced 1 Grand Champion and 8 Champions from limited matings. His progeny have also competed successfully in Obedience, Agility and Tracking.

A little bit of Stitch is in all of his progeny, whether it be looks or his personality.

AUST GR CH. STAFFWILD RISING POWER

Ace is our beautiful blue and white boy who we purchased as our very first amstaff back in 2007. I started showing him in 2008 and had great success in our many years in the show ring with 1 x Best in Specialty Show, 2 x Runner Up Best in Shows (all breeds level) and multiple in group and in show awards.

He was a consistent best of breed winner and gained his grand champion title with ease. Ace has a beautiful temperament, correct angulation and a stunning side gait. He is now enjoying his days basking in the sun and lazing about.

We would like to thank Karen at Staffwild Kennels for allowing us to own such a beautiful boy inside and out.

He is retired from the showing though comes out for Specialities and the odd show here and there. Volt has won numerous Best of Breeds, Best in Group, Class in Group, Class in Show.

SUP CH. OZMYTE THE DEEDS DONE

I went to see Angus the day he was born and I knew immediately that he was going to live his life with me. Angus is my darling boy and all that know him know what a gorgeous dog he is and what a fantastic temperament he has. Angus has achieved everything I had ever dreamed of in the show ring and more!

He attained his Supreme Championship with ease winning Best In Show, Runner Up In Shows and more Groups than I care to count. To me this dog is the complete package of a best friend, loving companion and outstanding show dog and I love him so very much.

Introducing The Veteran Girls Competing Today

PROAMSTAFS ROCKIN RAVIN

We purchased Mindy in August 2007 from Steve and Melissa Coleiro at Proamstafs kennels. We still to this day are forever grateful.

Mindy has done work as an accredited Delta therapy dog, and since moving we have done visits to local nursing homes whilst waiting for her to be reassessed. Mindy loves nothing more than snoozing in the sun and getting as much love and attention as she can and is never far from my side. She truly is a loyal, passionate loving dog with outstanding temperament and a pleasure to own, love and have as a major part of our family.

Date of Birth: 7th June, 2007

STAFFWILD NO REMORSE

From a young age I saw something special in Indy and waited for her to mature a little more before showing her. She was very slow maturing and at the age of 4 just as she was finishing maturing, she had pyometra and was desexed.

Indy went to live with a loving family, after a year they were unable to keep her anymore so she found herself back with me. I started showing her in the Neuter Classes and she loves the showing, possibly a little too much and gets over excited!

AUST GR CH. AMEROTIC MISS INDIANA

Indy is one of only a small handful of Amstaff bitches in Australia to obtain her Grand Champion title under the new rules at the tender age of 2, and she is also one of only a few to receive a Best In show and Runner Up Best In Show at an All breeds show. Her beauty, elegance and type have made showing this girl so enjoyable.

She has many awards and achievements in conformation, Best in Show, Runner up Best in Show, multiple Best in Groups/Runner-up Best in groups, 200+ class in groups, Multiple classes in Show, Best puppy exhibit in Group 2 at the 2008 Royal Brisbane Show (ekka).

Indy is now retired from showing and motherhood. She has been the most wonderful show dog, companion, and mother.

Date of Birth: 26th October, 2007

AUST CH. MYTHIKAL TEQUILA SUNRISE

Krystal was the only bitch in her litter along with 4 brothers, her and her brother Mythikal Kentucky Kiss were the only puppies to go into the show world. She has limited show experience but still achieved her Australian title. Her biggest achievement was winning challenge bitch at the Brisbane Royal Show in 2011. In the same year she got Limit in Show at the Amstaff Open show and 1st in Non Champion, Best Black and Fancy Dress sweepstakes.

She is a happy and friendly dog with some special training talent, she was my project dog for training dogs for TV and Film. She has her own profile for dogs on TV & Film. We are hopping to have a litter out of her later this year and look forward to showing a puppy. She may be classed as a senior now she is 7 but she will always be a puppy.

★ An Open Letter from the President of the STCA ★

AN OPEN LETTER FROM THE PRESIDENT TO MEMBERS AND FRIENDS OF THE STAFFORDSHIRE TERRIER CLUB OF AMERICA - Sept. 11, 1958

The Constitution of the Staffordshire Terrier Club of America says: "The object of this Club shall be to encourage the breeding of purebred Staffordshire Terriers, more commonly known in this country as "Yankee Terriers" or "American Pit Bullterriers"; to develop and bring to perfection their naturally high qualities;...."

Please note that our Constitution recognizes that the Staffordshire Terrier and the American Pit Bullterrier as one and the same. Also, that one of the objects of the club is to develop and bring to perfection their NATURALLY high qualities.

The American Pit Bullterrier is one of the oldest American Breeds. It was popular in this country before either the United Kennel Club or American Kennel Club was founded. A hundred years ago my grandfather referred to it as Brindle Bull dog; as such it was the foundation stock of the Boston Terrier. Fifty years ago when I first became acquainted with the breed it was known as the American Bull Terrier. This name was popularly adopted to distinguish it from the then recently imported (white, English) Bullterrier which had been developed by crossing the English prototype of our breed with an all-white English Terrier about 1860. Later the UKC inserted the word "Pit" into the name and my first registered dog was a Pit Bull Terrier. Still later the AKC classified them as Staffordshire Terriers. Throughout its history, regardless of its name, the naturally high qualities which it is the object of the Parent Club to develop and bring to perfection, have been typical of the breed. During the past 22 years we have tried to breed the best traditional type. The physical characteristics of this type as expressed in our official Standard were set by over a century and a half of selective breeding for the perfect Pit dog. The temperamental characteristics were set by untold centuries of selective breeding for a trustworthy guard dog and companion. The Staffordshire Terrier is not a new breed. If it is purebred all its ancestors a few generations back were American Pit Bullterriers, and all of its characteristics should be typical of the "natural high qualities" of the American Pit Bullterrier.

The name Staffordshire Terrier is of recent origin. When the American Kennel Club decided to recognize our breed they already had a breed registered simply as "Bullterrier" with a parent club known as the "Bullterrier Club of America". Any combination of American and Bullterrier was thought to be confusing. THE NEW NAME WAS NEVER INTENDED TO INDICATE A NEW BREED. (emphasis present in letter as written)

During the negotiations for recognition our people encountered considerable opposition, chiefly from the well entrenched Bullterrier group. It was claimed that our breed, the American Pit Bullterrier, was vicious and mean, suitable only for pit fighting, unreliable and not a fit companion of man or beast. After considerable work involving countless hours of conference and research our people were able to persuade the AKC that the American Pit Bullterrier was a loyal and affectionate companion, fit to be accepted into the best human and canine society.

In the past several months this smear campaign against our breed has been resumed. This time it is being carried on by "Staffordshire Terrier people". Although they cannot deny that only a few generations back all our stock was UKC registered American Pit Bullterriers, they seem to think they can increase the popularity of our breed by claiming American Pit Bullterriers are vicious, have to be fed through a heavy wire fence with longhandled shovels, etc.

One kennel advertising in a dog magazine says that their kennel "added a quality that is indispensable if a dog is to be a companion and make his home with his master rather than to be chained to awaiting his death in the pits". This they have done in about 15 years, having bred a few generations? Teddy Roosevelt, who owned and loved one of our dogs for its loyal companionship before these people were born would say "Bosh!"

Another "friend" who is more vitriolic started out to buy a bullterrier two years ago and ended up with a Staf. Since then he has become an expert on the breed and its bloodlines. None of the enemies of our breed were ever so vicious in their attacks on it. His diatribes are filled with references to neurotic, escapee(s) from the couch and denunciations of UKC registered dogs. I wonder how he would classify himself if in his truthseeking he learned that both the sire and dam of his dogs are registered with UKC as American Pit Bullterriers.

I have a Staffordshire Terrier - American Pit Bullterrier who talks. The other night, before he started his supper, he bowed his head and I heard him say: "Protect me from my friends, I can protect myself from my enemies."

In Memory

Miss Kirra (Clamstaff Kirra) born 19 November, 2002, daughter to Clamstaff Springer and Ozam Rising Hurricane.

As a puppy she attended the first Amstaff ribbon parade and won her class, best fancy dress and best ears, she went on to win in more shows and obtained her Australian Champion title in 2006.

In 2008 she had her first litter, 4 boys and 1 girl fathered by Winyahart Medicine Man, 16 weeks after her litter she took out Best of Breed at the Brisbane Royal Show scoring herself 23 points

After having her litter she had a new play mate her only daughter Mythikal Tequila Sunrise, they were the best of friends, always happy.

Sadly in 2013 Miss Kirra started getting sick, after some tests it was discovered she had breast cancer which we had the lumps removed successfully.

After 6 months of been back to her normal self, she began having trouble breathing, again after more tests, it was then discovered that she now had lung

cancer, we started her on chemo but after 4 months we had to make the hardest decision we have ever made.

On the 4th of May 2014 we put our fur baby to sleep.

RIP our beautiful girl...We miss her everyday.

As we look into your Beautiful daughters eyes there will always be a part of you in our lives

Adbesare Rhodesian Ridgebacks & Dachshund Smooth Queensland

I obtained my first show Rhodesian Ridgeback in December 1997 and commenced showing her in February 1998 at the encouragement of her breeder. I fell in love with showing at that very first show. When I obtained my second show dog in 2000 I made friends with Dachshund exhibitors and began showing almost all the varieties of Dachshunds. I purchased my first Dachshund in 2007. Over the years I have been fortunate enough to handle nearly all the breeds in the Hound Group and a few other breeds in various groups. I have also titled many dogs to Australian Champion and Grand Championship. I co-handled a Rhodesian Ridgeback to Hound Group 1 at the Birmingham National Dog Show in May, 2013 which was a highlight of my UK holiday.

I have recently bred my first Dachshund Smooth litter to a UK import named Supreme Champion Hampdach Zeus (Imp UK) with the pick boy Scotty taking out Baby Puppy in show at the Dachshund Club of Queensland Specialty at debut. Also I have been privileged to judge the ELSA Rhodesian Ridgeback show (Germany) and the 20th Anniversary show for the Slovak Rhodesian Ridgeback Club (Slovakia) in 2014. In 2015, I will be judging the Rhodesian Ridgeback Club of Ireland Specialty as well as judging at Clonmel and District Canine Club in Ireland.

☆☆☆ Amstaffs in Australia ☆☆☆

The American Staffordshire Terrier was officially recognised in Australia on 1st January 1987.

The first Amstaff was imported from Hawaii in November 1985 by Mr & Mrs Murdoch of Red Cliffs Victoria. They were to become the first breeders/exhibitors of the breed, their kennel prefix being "Amstaff". The basis of their future breeding programme was to start with this import, "Rockislands O'Omua O Hawaii". Bob & Ruth's next import was the lovely brindle dog Ka Hanahou's Lei O' Makana. He was to become the first Australian Champion, and with the earlier imported bitch was to produce the first Australian bred litter.

In 1989, in Queensland, Dr Glucina of the "Araganu" prefix began to import Amstaffs into Australia. Over a period of time he imported the American Champion dog (Pictured Below) "Steeltowns Diamond Boy", another dog "Ka Hanahou's Seamist", a bitch "Cock N Bulls Poppycock" and another bitch Haw N Blue Knight Mist. All having cropped ears, so unfortunately were unable to be shown in Australia. From these imports Dr Glucina was to start his breeding programme and produced his first litter in 1990.

The Murdoch's next import was another male "Ka Hanahou's Rojo's Sam", a red dog. He was 8 ½ months old when released from quarantine on February 14th 1991.

In October 1990 Mark & Wendy Evans, of Evastaff Kennels in Tasmania, were to purchase a brindle bitch from Hawaii. This was "Kalokos Lea", just 13 months old at time of purchase. She arrived in quarantine December 1990 and was released 12th April 1991. This bitch started her show career in August the same year and went through to her Australian title. Kalokos Lea was the first bitch to produce a litter with both parents being Australian Champions.

Evastaff imported their second Amstaff in December 1992, released from quarantine May 1993. This was the striking black brindle dog "Hot Lava Indian at Evastaff". Jasper, as he is known, was to quickly gain his Australian title also.

In the following years imported semen produced some worthy Amstaff litters. Lee Jenkins, of Bluesteel Kennel in Victoria, imported semen from two dogs. International Ch Willynwood Redneck and American Ch Rowdytowns Hardrock Café. In Queensland Greg Gordon imported frozen semen from Am Ch Pacific's Distant Thunder. And later, in partnership with Lynda Craw (Lyntiki), the lovely blue dog "Am Ch Pacific's Hot Pursuit", who was co-owned by Greg and Lynda.

Lynda Craw also imported two Amstaffs from New Zealand in 1998, (originally imported from Hawaii into NZ). The dog, "Aust/NZ Ch Kupa'a Tama of Triskara" and the bitch "Triskara Mea Kau Ake (AI USA)". The bitch arrived in whelp. Other breeders are investigating importing worthy dogs and bitches as well as further importation of frozen semen from good American bred dogs.

Interest in the Amstaff within Australia is steadily on the increase. This versatile breed can be utilised as a family companion, a show dog and as an obedience dog. The breed is continually creating interest in and out of the show ring, and this, combined with a responsible breeding programme will ensure a steady development of the American Staffordshire Terrier in Australia.

Mr Bob Busby

**DiDio K9
USA**

Bob's childhood home, a hub of enthusiasm for canine companions, launched him into a lifetime love for dogs. This love for dogs led him to a career training dogs in obedience, canine security, and later AKC conformation in the late 1970s. Bob's first Rottweiler, Maxim Bear Von Gruenerwald CD, was born in 1974.

Bob's desire to have complete quality animals began his study of the Rottweiler. His breeding program produced American and Canadian champions, obedience CDX-TD titles and canines certified by the North American Police Dog Association. In 1990 Bob's passion took him to Germany to the ADRK Klub Sieger Show, a trek he repeated for many years afterwards.

Bob's interest in AKC conformation competition grew; he was soon being asked to present dogs of other breeds. Bob turned professional handler, member of the Professional Handlers Association, and recognition as an AKC Registered Handler for all Sporting, Hound, Working, Herding, and most Non-Sporting breeds. Bob took several client dogs, of both sexes, to the ranking of number one Rottweiler.

Bob's interest in other breeds also developed. He has bred, raised and presented American Staffordshire Terriers, and in 2007 co-imported a Norwich Terrier from Finland. "Finney" quickly finished her AKC championship and went on to produce eight champion offspring. Bob's most recent import Norwich is Nanstop Inferno, a son of world renowned Int. Ch. Nanstop Polkagris. "Pistol" is now an AKC grand champion. Bob's breeding program has produced champion and grand champion Norwich under his Di Dio kennel banner.

Bob serves as the AKC Delegate for the Salisbury North Carolina Kennel Club. He was a director for the American Rottweiler Club for one term and vice president for one term. Having served in the judges' education program for six years, he is approved by ARC as a mentor/ presenter to present Rottweiler breed study groups.

At the end of 2003, Bob retired from professional handling to pursue judging. He is presently approved by the AKC to judge Akitas, Bernese Mountain Dogs, Rottweilers, Great Danes, Boxers, Doberman Pinschers, Siberian Huskies, Bullmastiffs, Mastiffs, Newfoundlands, Saint Bernards, Alaskan Malamute, German Shepherds, Staffordshire Bull Terriers, American Staffordshire Terriers, Norwich Terriers and Junior Showmanship. He still exhibits his personal dogs, usually in the Bred-by-Exhibitor class.

Bob travels to Europe yearly in his quest to continue his education in purebred dogs, attending the World Shows 2008, 2009 and 2011 and Crufts 2010. He has judged in the Republic of Ireland, Northern Ireland, Central Europe and Latin America.

Bob's philosophy for evaluation of breed stock is this: a dog must be complete, a total package to the standard of the breed. The animal must be able to do the job it is bred to perform. Breed type and the ability to function are of the utmost importance. Bob is an AKC Breeder of Merit.

BREED STANDARD

American Kennel Club dated June 1987
Country of Origin ~ United States of America.

F.C.I. Std. No 286
Amended 05/03

General Appearance: The American Staffordshire Terrier should give the impression of great strength for his size, a well put-together dog, muscular, but agile and graceful. He should be stocky, not long-legged or racy in outline.

Characteristics: (Not specified.)

Temperament: Keenly alive to his surroundings. His courage is proverbial.

Head And Skull: Head medium length, deep through, broad skull, very pronounced cheek muscles, distinct stop. Muzzle medium length, rounded on upper side to fall away abruptly below eyes. Jaws well defined. Underjaw to be strong and have biting power. Lips close and even, no looseness. Nose definitely black, Dudley nose undesirable.

Eyes: Dark and round, low down in skull and set far apart. Light or pink eyes undesirable. No pink eyelids.

Ears: Set high. Ears should be short and held rose or half pricked. Full drop to be penalised.

Mouth: Upper teeth to meet tightly outside lower teeth in front. Undershot or overshot mouths undesirable.

Neck: Heavy, slightly arched, tapering from shoulders to back of skull. No looseness of skin. Medium length.

Forequarters: Shoulders strong and muscular with blades wide and sloping. The front legs should be straight, large or round bones, pasterns upright. No resemblance of bend in front. Forelegs set rather wide apart to permit chest development.

Body: Back fairly short. Slightly sloping from withers to rump with gentle short slope at rump to base of tail. Well sprung ribs, deep in rear. All ribs close together. Chest deep and broad. Loins slightly tucked.

Hindquarters: Well muscled, let down at hocks, turning neither in nor out.

Feet: Of moderate size, well-arched and compact.

Tail: Short in comparison to size, low set, tapering to a fine point; not curled or held over back. Not docked. Tail too long or badly carried undesirable.

Gait/Movement: Must be springy but without roll or pace.

Coat: Short, close, stiff to the touch, and glossy.

Colour: Any colour, solid, parti, or patched is permissible, but all white, more than 80% white, black and tan, and liver not to be encouraged.

Sizes: Height and weight should be in proportion.

Height: Dogs approx 46-48 cms (18-19 ins) at shoulders, Bitches approx 43-46 cms (17-18 ins) at shoulders is considered preferable.

Faults: Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog.

Notes: Male animals should have two apparently normal testicles fully descended into the scrotum.
