Did you know?

Our Placemarkers are exactly 19" from ground to wither

Mr Olaf Verhorevoort

Netherlands

My name is Olaf Verhorevoort from the Netherlands, breeder of American Staffordshire Terriers under the prefix Carmichael's. My first hobby or passion was MX (motorcross). My kennel name was chosen after the famous MX driver Ricky Carmichael, one of the best drivers ever.

In 1993 I bought my first Amstaf (Ox Bomber grandson). The breeder asked me to show this puppy, but I told him that I was not interested in showing dogs, then he kept asking me and I told him I'd do him a favour and show him once. We ended up in finishing him in threecountries and from that time it seems I was addicted.

In 1996 I imported my second Amstaf (White Rock Chaskras El Diego) from Dick Pascoe and I finished him also easily in several countries. When Diego was asked to stud a top winning bitch in Europe, we decided to ask pick of the litter, we got a very nice brindle bitch named "Cj". In 2004 we try to breed our first litter with "CJ" and we flew overseas with her and bred to White Rock Charlie Horse, but sadly mother died with all her pups.

In 2007 the first litter was born in our kennel and since than we breed one or two litters a year.

We did have many highlights in our breeding program as Youth World Winner 2012, European Youth Winner 2016, World Winner 2018, Best Amstaf in Netherlands 2012-2013-2014-2015-2016-2017-2018, #1 All breeds Benelux 2018, multiple BISS in different countries, more than 65 National & International titles, multiple group wins, 7 x All breed Best in Shows including Best in Show at Top Dog of the Year Show Holland 2016.

Right now, we have 4 dogs in our home and several dogs are co-owned with friends. In 2001 I visited for the first time the National & Regional Speciality in the USA and I never miss any of them anymore. Since 2007 we compete there as well with our own bred dogs and are proud to get some very nice results there with our un-cropped dogs between mostly all cropped dogs. I am happy that I got the chance to meet, talk and learned with several influenced breeders in this breed, and I am still so young to learn more and more.

In March 2018 I passed my Amstaf exam and the kennel club approved me one month later to be an official FCI judge for my own breed.

In the future I try to become a judge for some more breeds, especially for the bull breeds.

Delta Therapy Dogs Program

Are you looking for ways to volunteer in your local community?

Do you have a dog with a fantastic temperament that loves spending time with people?

Delta Therapy Dog teams bring joy to the lives of those who need it most.

About the Delta Society

The Delta Society is a national not-for-profit organisation with one core belief: that the human-animal bond remarkably improves our quality of life and leaves a lasting paw print on our hearts.

There is a special and indescribable kinship shared between dogs and people of all ages. Attention from a dog can brighten your day, make you feel loved and improve your overall health and wellbeing. A better relationship between people and dogs will lead to a more enriched and fulfilled life for humans and dogs alike. Delta's primary mission is to promote and facilitate positive interaction between people and companion animals, and help people through positive and supportive encounters with dogs.

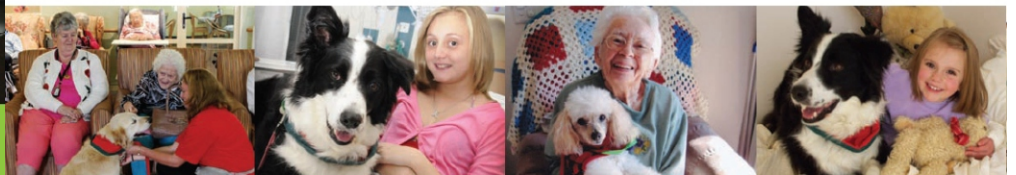

For more information about the Delta Society's other programs, please visit www.deltasociety.com.au

Volunteering for Delta

Our volunteers and their amazing therapy dogs are our most valued resources, and we are always looking for new volunteer teams to join the Delta Therapy Dogs program.

- ☐ Do you have a dog with a good temperament?
- ☐ Do you have an hour or two to spare every week?
- ☐ Are you interested in giving your time to volunteer in your local community?
- ☐ Do you love talking with people about your dog?

If you answered yes to all these questions, then volunteering with Delta Therapy Dogs could be an incredibly rewarding experience for you.

About Delta Therapy Dogs

Our flagship Delta Therapy Dogs program is the largest of its kind in Australia. Every week, Delta's amazing and devoted Therapy Dog Teams bring joy to the lives of those who need it most: an estimated 20,000 Australians in hospitals and care facilities.

We currently support over 850 volunteers and their special pet dogs, who make regular visits to children's hospitals, adult hospitals, nursing homes and mental health facilities to offer the wonderful benefits of pet therapy, spend time with patients and offer a chat, a floppy ear to listen and a paw to shake.

Scientifically proven benefits of pet therapy

- **Physical** – interaction with a furry friend reduces blood pressure, provides tactile stimulation, motivation to move, walk and stimulates the senses
- **Social** – a visit with a dog provides a positive mutual topic for discussion and promotes focused interaction with others
- **Cognitive** – Canine companionship stimulates memory, problem solving and game playing
- **Emotional** – an adorable four-legged visitor improves self-esteem, acceptance from others, calming effect, lifts mood often provoking laughter
- **Environmental** – a dog in the facility decreases the feeling of a sterile environment and lifts the entire mood

Mr Kari Järvinen

Finland

Kari Järvinen got his first dog at the age of eight in 1957. Kari has had dogs of many breeds. He started breeding with a beagle and with his late wife Raija they bred Scottish and West Highland Terriers with great success.

His own breed is however the Boxer. He got the enthusiasm for boxers when he was handling Gitta Ringwall's boxer in shows. Most memorable and most famous of his boxers was Wedge Hollow's Sam's Son, in early seventies. To get Sam from the breeder he had to sell his little car. After selling Sam to Sweden Kari could afford to buy a bigger car.

When judging in England in the seventies he saw Agility competitions and introduced it here. In the mid-eighties, with the sponsorship of his employer, he was able to arrange the first training course for judges and invited a coach from England. Now agility gathers most entries and Finnish Agility competitors have been very successful in international games. Kari started also Junior Handling activities in Finland in 1973.

Kari started his own judging career in 1972, became all-rounder in 1991 as a first Finnish judge. In Finland it takes a long time to get rights to judge all breeds. You study and pass exams breed by breed and advance to groups. Kari has judged in 84 countries all over the world and he has enjoyed it enormously. When travelling he was always kept his eyes open for new concepts and looked for good dogs for himself or breeder friends.

Kari loves to judge dogs and doing so in different countries he has adopted ideas how to arrange good dog shows, better than those before. It has always been a challenge to catch up with the quality of Stockholm, where annual winner shows are the utmost top class. All this gathered information has been useful, when Kari, with his brilliant teams has been organizing Finnish Kennel Clubs' Helsinki International Dog Show over 30 years as a Chairman of the Show Committee.

Kari has said that the highlight and the most magnificent moment in his judge's life was 1998 in the Helsinki FCI World Dog show. Kari was BIS judge and found the most gorgeous and beautiful Papillion for the winner of that memorable show.

Kari revived FCI's Judges and show committee in the early nineties. And he was elected into the board of directors of FCI in 1995. He has represented Finland on the board of Nordic Kennel Union longer than anybody else from Finland. He gave considerable help to assist the Estonian Kennel Club to make a new start in 1990's. He has helped many other kennel clubs. He has been a Member of The Kennel Club since 1999. He has honorary golden decorations from the FCI, Finland and many other countries. In the Finnish Kennel Club, Kari has been serving on the Board of Directors in several periods since 1970's, longer than anyone else and out of these 10 years as a vice president and three years as a Chairman of the Council. He has been honorary member of the Finnish Kennel Club since 2010.

In 2007, Kari negotiated with the Russian Kennel Club a unique agreement, where Russian Red Laikas (Karelian-Finnish Laika) and Finnish national breed, Finnish Spitz were united into one breed and recognized as the Finnish Spitz. This is the first time in history that dogs which lived on opposite sides of a man-made border but had common origins, have been acknowledged as one and the same breed.

Kari's dog career stretches back over 50 years. During this period in Finland the number of registered dogs has quadrupled, and we have 10 times more members. This means that three Finns out of hundred are members of Finnish Kennel Club.

During Pawscars dinner before Crufts 2018, Kari received Pawscars award in Best All Breed Judge of the Year in UK in 2017. Kari has been made an honorary member of the FCI.

Mr David Kill

Queensland

To say I was born in a whelping box is an over exaggeration, however, it is true that my family's long association with dogs started with a baby David scared of dogs and a mother rectifying that situation head on by adding a four legged family member...and then two and more. The showing thing started fifty two years ago. I was supposed to be the onlooker of our Golden Cocker Spaniel's proud debut in the Rockhampton Kennel Club event but when mother and 16 year old brother got stage fright, I was the first Kill to show a dog.....stacking her rear end first to the judge.

The Kill household was very much filled with lots of breeds and lots of different kennel prefixes competing for kennel space. **Bunyarra, Teralc, Bifield and Jalna** kennels all under one roof with Cocker Spaniels, English and Irish Setters, Cavaliers, Border Collies and Golden Retrievers all taking up residence in Farnborough, near Rockhampton in Central Queensland.

I started breeding using my mother's prefix Bunyarra for many of my earlier Cocker Spaniel litters breeding mostly parti coloured dogs. When it was time to get my own prefix, a Claret bottle on the table next to a mirror gave me the TERALC kennel prefix that, although very sparingly used, produced some notable ALL BREED AND Specialty BIS winners in the 1980's. I now breed again under the Bunyarra prefix predominately.

Over the years I have owned, bred and/or exhibited Cocker Spaniels, English Setters, Whippets, Pointers, Border Collies and now I am breeding and exhibiting Irish Water Spaniels (Bunyarra prefix), the breed that has fascinated me since my teenage years. Although primarily involved with Gundogs I am a student of all breeds and love nothing more than seeing breeds true to standard and origins.

Judging started very early in my 20s and I have been judging Gundogs and Hounds since the early 1980s, officiating my first general specials in 1985. A passion for coaching gymnastics meant a break from showing and breeding dogs for quite some time and slowed down my progress to all breeds judging status, a pursuit that has recommenced in recent years and I am passionate about the purebred dog and the continuation of our showing hobby. I am licenced to judge Groups 1,3,4 and 6 at Championship level.

My judging appointments over the years have allowed me to judge some wonderful dogs, learn much about many breeds, and build some lovely friendships. I am certainly of the old school, I let my own dogs speak for themselves without advertising or promotion and when I step into the ring I expect that my dogs will be judged on their own merits, which is the same courtesy I give to every exhibitor who steps into my ring as a judge.

I am thrilled to receive this invitation to judge The American Staffordshire Terrier Open Show Specialty and thank everyone for their entry.

David Kill, Gold Coast, Australia - TERALC and BUNYARRA
